Subject: Re: Molycorp request for meeting

I talked with Rich Schwartz (Molycorp's counsel) and we have tentatively (understanding that we all need to check our calendars, and that further developments in Molycorp's negotiations with NM could change things) scheduled a meeting on January 18, 2000 at 1:00 PM at Region 6. How does that work for everyone?

(He said that Molycorp is also having a meeting with the state Minerals Department on January 12, 13, or 14, concerning a closeout plan for the mine. Myron apparently received a letter about it; we may want to consider attending.)
